Title : Need to run Bhubaneshwar Rajdhani Express daily and also introduce a pair of Rajdhani Express train between Hazrat Nizamuddin and Bhubaneshwar via Cuttack.

SHRI JUAL ORAM (SUNDERGARH): The 2421-2422 and 2443-2444 Bhubaneshwar-Rajdhani Express trains are running four days a week covering only four out of thirty districts of Orissa. The rail users of the remaining districts who frequently visit Delhi are not able to get the benefit of these trains. If another pair of Rajdhani Express train is introduced between Hazarat Nizammudin and Bhubaneshwar via Cuttack and vice-versa on the remaining three days of the week on the Hirakud Express route touching Jharsuguda, Sambalur and Angul a large number of passengers from the state of Orissa will be greatly benefited. Two link Express trains one from Koraput and another from Sambalpur via Kesinga and Balangir and another Berhanpur to Bhubaneshwar should also be introduced to enable the passenger in these areas to board the Rajdhani express at Sambalpur and Bhubaneshwar respectively.

As such, I demand that the Bhubaneshwar Rajdhani Express be made a daily train without any further delay.
